

The CHAOS BEACH VOLLEYBALL points system is proprietary and has been devised solely for the use of the CHAOS BEACH VOLLEYBALL Tournament Director to award, rank and track the finishes and progress of CHAOS players following each men's or women's professional (OPEN) level event. Points are awarded to all individuals competing in CHAOS BEACH VOLLEYBALL professional (OPEN) division tournaments.

Seeding: CHAOS BEACH VOLLEYBALL seeds tournaments from points awarded from **the last four consecutive** CHAOS events (may span across two seasons).

Wild Card Seeding: A wild card seed may be awarded to a player or team based on the discretion of CHAOS BEACH VOLLEYBALL Tournament Director. This decision will be based on merits, achievements, AND career stats. Wild card seeding serves to create fair playing conditions for all teams.

CHAOS BEACH VOLLEYBALL reserves the right to disqualify and/or ban any player for being excessively disruptive, vulgar, violent or behaving in any manner that is disrespectful, inappropriate or unsafe for other competitors, attendees and staff. Disqualified or banned players and his/her teammate(s) will not receive a refund for entry fees.
